Dear Margot
all the fun we had
in school together. I
will miss you, when you
not in school anymore
good luck (to us)! I hope you get what you
want out of life (me, I hope) when you go
in the service. Be sure to write to me
day I'm gonna miss not hearing from you

Good luck,
Pete

Yours truly,
Pete

Congratulations to the class of 1968. You have completed an important phase of your life. However, you must remember that the present we have for a fleeting moment—a moment in which we are permitted and required to end the past and begin the future. There is nothing we can do to change the past. The future is just beyond our grasp, but it begins tomorrow. We can improve the present; we can plan the future; and we can go forth to meet that future with confidence and with a strong heart. *We can if we will.* I urge you to go forth to meet the future without fear, determined to deliver to your successors a more effective world.

Frederick C. Riel
Superintendent of Schools

To the Class of 1968:

"—This above all: To thine own self be true, And it must follow, as the night the day, Thou canst not be false to any man."

Hamlet, I 111

The aim of a good educational system is to develop the intellectual, physical, and social qualities of its pupils to the fullest. Always underlying each educational program is the continuing lesson of self-honesty. By example, direction and training each pupil is urged to pursue such virtue because once attained, it will forever be the springboard of all success.

Please accept my congratulations and best wishes.

William H. Flaherty, Jr.
Assistant Superintendent of Schools

You, the Class of 1968, have satisfactorily completed a prescribed course of study in Billerica Memorial High School and will soon be awarded a secondary school diploma in testimony thereof. You have participated with your teachers in a cooperative search in the past four years for new knowledge and expanded wisdom which is, I hope, for many of you only the beginning as you endeavor to become a truly educated individual positively contributing to the problems of civil society which, in many instances, entail complex and sometimes unique solutions.

The older generation has always been concerned about the direction and the formation of youth, specifically concerned with their philosophy of life. Yet, you are better instructed, possess more intelligence, and have a more acute awareness of life as it exists than we enjoyed at a similar stage of development. You have the individual and the collective ability to become an explorer in every area of human concern and once explored, to comprehend, to solve, and to enlighten man in his relations with others in human society.

May you accept the challenge and with an unflagging effort achieve the reward of your labors is my desire for you, the Class of 1968.

J. David Nuttall,
Principal

No matter what line of endeavor you may choose in life, I would like to leave you with a simple formula for success: "Always keep in mind the view of your employer."

God bless you and good luck in whatever lies ahead.

John D. O'Brien
Vice-Principal

"Lots of Luck"
Jack O'Brien

Congratulations Class of '68 on having successfully completed your high school education. You have learned a great deal while at school and hopefully you will continue to learn something new every day of your life, for without knowledge life is indeed meaningless.

Guess Who?

Where are they going?

Is it, Mr. Muscles?

Class of 1968! Many thanks for the cooperation, enthusiasm, and endeavor with which you have brought your high school career to a close. For a dozen years you have traveled through the various school grades together. Some of you have worked to capacity and others have not, but you have all learned much. Perhaps you have learned that you will get out of a thing what you put into it. May you all have the optimism, idealism, and courage to lead happy and successful lives.

Gertrude D. Houghton
Adviser

Soon our high school days will be but memories. Some, we will recall always—the Powder Puff Football Game, the Spaghetti Supper, the Junior Prom, and the Senior Prom. We have these memories because of the tireless efforts of our Class Adviser. Her devotion in our behalf deserves our gratitude and thanks. In appreciation, We, the Class of 1968, would like to dedicate our memories of Billerica Memorial High School to Mrs. Houghton, our adviser.

SCHOLARSHIP—CHARACTER—LEADERSHIP— SERVICE

These are the standards set by the National Association. Each local candidate is thoroughly screened by a faculty executive committee to select the top 10 percent of the junior class who best exemplify the above qualifications. An additional 5 percent of the graduating class is selected at the conclusion of the first semester of the senior year. The Billerica chapter of the National Association, the Beacon Light chapter, is available to serve the needs of both the school and community whenever called upon to do so. The highlight of the year's activity is a three-day visit to the Nation's Capital in May.

Our team this year was certainly a good one. Although our record was not so good as we had hoped it would be, we did do many things that were outstanding. We developed a *never quit* attitude which, along with other things, made it a ball club of which we could all be proud. This year, every one of the players conducted himself as a true athlete should throughout the entire year. The team should be congratulated for its efforts.

The girls basketball team suffered its first unsuccessful season in many years, concluding with an over-all record of 3 wins and 9 losses and a fifth place finish in the Merrimack Valley Conference. Since only four seniors, Brenda Dickinson, Angela Carbone, Darlene Groblewski, and Mary Metivier, will be leaving the squad via gaduation, we are hopeful of a better showing next season with so many returning to the squad. Brenda Dickinson and Patricia Robertson will represent Billerica in the annual Merrimack Valley Conference All-Star Game. We again sponsored a girls basketball tournament; and although our team was defeated in a first round game, the tournament was very successful. Our squad received some recognition, as *Co-Captain* Patricia Robertson was one of the eight girls chosen out of 156 players in the tournament to be named to the All-Tourney Team.

Varsity

The 1967-68 basketball season can be described in one word: *rebuilding*. Because of the able leadership and unselfish example of *Captain* Billy Sullivan, the development of the younger members of the team has been such that B.M.H.S. has inherited a returning squad which will more than hold its own in Merrimack Valley competition.

The 1967 B.M.H.S. Spring Track team, while not impressive with a 1—8 record, did show future promise. A definite lack of experienced distance runners placed a considerable burden on sophomores and freshmen. Consistent point winners in Varsity competition were Stephen Cole, David Gagnon, Robert Kinsman, Ronald Clark, Ken Mastrullo, Joseph Bradford, and Robert Kyricos.

Promising returning candidates are Mastrullo, Kyricos, Bradford, David Cole, Richard Roach, Robert Honnors, Harold Parsons, and Danwood Reimer.

With the current possibility of a complete track facility, we look forward to increasing success.

The 1967 Field Hockey team with Angie Carbone, *Captain* and Mrs. Winters, Coach compiled a record of 3 wins, 1 tie, and 3 losses. Leading scorer for the team was Marge Wheaton with 4 goals. Brenda Dickinson, Althea Duarte, and Ellen Ward contributed to the remaining scoring efforts. Seniors leaving the squad are Angie Carbone, Brenda Dickinson, Judy Perry, Debbie Ouellette, and Joanne Olson. Returning letter winners for next year are Ellen Ward, Marge Wheaton, Laurel Canty, Denise Doucette, Rose Ann Brantley, Althea Duarte, Cathy McCarthy, and Debbie Henderson. Cathy McCarthy is Captain-elect for next year's team. Other returning members will be Jackie Boyson and Madeline Meehan.

The Junior Varsity squad coached by Miss Foley compiled the record of 0 wins, 3 ties, and 4 losses.

According to ancient Indian custom, whenever an Indian brave performed a deed worthy of distinction among the tribe, he was granted the honor of obtaining and exhibiting another eagle feather in his tribal headdress.

In keeping with this tradition, we present a Billerica brave, symbolizing the Class of '68, exhibiting its achievements over the past four years.

Merrimack Valley Champs

The 1968 Billerica Varsity Baseball team was the winningest schoolboy team in Massachusetts with 20 wins and 4 losses. This was also the most successful season in the history of Billerica High School. Our Indians captured the Merrimack Valley Baseball championship for the first time in 20 years and entered the State playoffs for the first time in 10 years.

Captain Bill Sullivan provided outstanding leadership and became the first Billerica ball player to make the Massachusetts all-scholastic baseball team. Bob Glaser, the team's outstanding player, was the winningest schoolboy pitcher in New England.

Outstanding spirit and good talent were the keys to our success. The same keys could help Billerica successfully defend their crown in 1969.
